Dosenprofi Tuben Standbogen 50/160 mm

PRINTING AREA SPECIFICATIONS

1:1 VECTORISED FINAL ARTWORK TEMPLATE

Artworkhöhe 162 mm

Tubenhöhe 160 mm plus 2 mm Schulterverschweißung

This area is for text and backgrounds.

This area is for background graphics or colour only. You can also leave it white/blank.

The green area serves as a buffer for fluctuations in the cutting parameters. A 3mm bleed, left and right, is required for background graphics.
